

AGILE

Movement bonus

All of your ships have +1 movement.

AMBITIOUS

3 extra actions

Once per turn you may take an additional action, then put a token on this card. If this card has three tokens on it, discard it.

BRILLIANT

Research bonus

At the start of your turn, you may gain 2 Research.

BRUTAL

Combat with advantage

For Combat rolls, roll twice and use the lower number.

CALCULATING

Controlled scrapping

When a ship is placed in your scrapyard, choose it's ship number.

CLEVER

Flexible modification

After reconfiguring, you may increase or decrease the ship number by 1.

COMPOSED

Reduce dominance for research

Once per turn, you may lose 1 Dominance and gain 3 Research.

CUNNING

Extra ship ability

Once per turn, you may use one ship ability a second time.

CURIOUS

Bonus peaceful move

At the end of your turn, if you did not Attack or Conquer, gain an additional Move or Research action.

DANGEROUS

Destroy your attacker

When you defend, before players roll combat dice, you can decide to destroy both ships (there is no dominance effect).

DEVIIOUS

Slingshot past enemies

You may move your ships through enemy ships. These spaces do not count towards your movement.

FEROCIOUS

Combat bonus

-1 to your Combat rolls.

FLEXIBLE

Adjust a ship

Once per turn, you may increase or decrease one of your ship numbers by 1.

HOSTILE

Extra action for destruction

The first time you destroy an enemy ship each turn, gain 1 action.

INDUSTRIOUS

Extra deployment

Gain an additional Deploy action each turn.

INGENIOUS

Conquer from corners

When Conquering, you may use spaces diagonal to a planet.

INTELLIGENT

Flexible conquering

When Conquering, you may add or subtract 1 from the planet number.

PATIENT

Delayed tactics

Whenever you take a Tactic, you may instead store it. At the end of each of your turns, you may play a stored Tactic. When you take this Skill, you may take and store a Tactic.

PIONEERING

Conquer with research

You may use your Research number in place of one of your ship numbers when Conquering.

PLUNDERING

Destruction is research

The first time you destroy an enemy ship each turn, gain 3 Research.

PRECOCIOUS

Accelerated breakthrough

Your Research resets at 4, 5, or 6.

PRIDEFUL

Accelerated domination

Your Dominance resets at 4, 5, or 6. When a player destroys one of your ships, they may take this card from you.

PROFITEERING

Missiles from conquering

When you take a card for Conquering, may instead gain 1 Missile.

RATIONAL

Fixed combat

Your Combat rolls are 3.

RAVENOUS

Dominance amplification

The first time you destroy an enemy ship each turn, gain 1 additional Dominance.

RESOURCEFUL

Sacrifice for action

Once per turn, you may destroy one of your ships and gain 1 Action.

RIGHTEDOUS

Irreducible dominance

You can not lose Dominance. You can not gain Research.

RUTHLESS

Weaken your enemies

The first time you destroy an enemy ship each turn, you may disable one of the enemy's Skills until the start of your next turn.

STEADFAST

Move more than once

Your ships can move or move/attack more than once per turn (each move counts as an action).

STEALTHY

Isolated deployment

You may deploy to any space that is not adjacent to a ship.

STRATEGIC

Combat support bonus

During combat if your ship is adjacent to one or more friendly ships, -2 to your Combat roll.

STUBBORN

Strong defence

When you are attacked, ties go in your favor and you destroy your attacker if you win (and gain dominance).

TACTICAL

Bonus short move

Once per turn, you may move/attack 1 space with a ship even if it's already moved.

UNVEIL THE FLEET

Destroy & reroll ships

Destroy all your ships. You may reroll any ships in your scrapyard once. Deploy any number of ships.

TALENTED

Get more skills

You can have up to 5 Skills.

UNVEIL THE FLEET

Destroy & reroll ships

Destroy all your ships. You may reroll any ships in your scrapyard once. Deploy any number of ships.

TYRANNICAL

Conquer with dominance

You may use your Dominance number as an additional ship number when Conquering.

AGGRESSION

Add dominance

Immediately add 2 to dominance.

MOMENTUM

Take a bonus turn

Immediately take another turn, but with 2 actions instead of 3 (treat it as a brand-new turn).

BLACK MARKET

Gain missiles

Gain 2 Missiles.

PLAN AHEAD

Become the missile

Until the end of your next turn, all your combat rolls are 1.

CHANGE OF HEART

Choose a skill

Search the Skill deck and take a card of your choosing, then shuffle the deck.

SABOTAGE

Limit enemy action

Every opponent's next turn has 1 fewer actions.

WARP GATE

Teleportation system

Place the Warp Gate tokens on two different spaces on the board. Any player may consider those spaces adjacent.

SHOW OF FORCE

Target destroyed

Destroy any one ship. Gain 1 Dominance.
